

Instructions to Download the ZiiZii-LJ Zucca Online Ordering App

FOR Apple Products (i-Pad, i-Phone, etc.) ONLY

- First, make sure you are connected to the internet.
- Click on the App Store Icon located on your main screen.
- In the search bar located in the top right corner, type **ZiiZii Order Entry** and tap on it when it appears.
- ZiiZii Order Entry App will now appear on your screen.
- Click on GET and then click on INSTALL.
- **Type in your Apple ID Password:**
- The circle will begin to spin, a square will appear, and the circle will begin to be traced/filled in.
- This means the App is loading. DO NOT EXIT OR TURN OFF. It will take 3 – 5 minutes.
- Once complete, hit OPEN.
- You are now on the ZiiZii Cust Ordering Screen.
- Click Download on the right.
- **Enter the server URL:** <http://lizucca.ziizii.net/JellyLJZucca/> (****MUST BE ENTERED EXACTLY AS YOU SEE IT WRITTEN HERE****)
- **Enter your username:** Your e-mail address that you provided LJ Zucca
- **Enter your password:** The password you picked when you received the e-mail from adminmail@novexsoftware.com to sign up for online ordering
- Hit Done and your Download will begin.

You have now installed the latest version of ZiiZii-LJ Zucca Online Ordering App.
