STATE OF NEW JERSEY

There is a bill for the state of NJ that requires any entity that sells, offers for sale, or distributes for commercial purposes any tobacco product to maintain a stock of and offer for retail sale, at least one type of nicotine replacement therapy drug, device or combination product that has been approved from the federal FDA for cessation of tobacco use pursuant to the "Federal Food, Drug and Cosmetics Act," 21 USC s.301 et seq. This requirement will not apply to cigar shops, which are defined under the bill to mean retail establishments wherein the only tobacco products and products related to tobacco use that are available for sale or commercial distribution are cigars and cigar accessories.
