No employee is authorized to change this Return Policy.

L J Zucca understands how important it is to manage your store items and to maximizing your space with the best product mix to promote profits.

We have worked hard to build the best product offerings to compliment your business; and we continue to introduce the hottest trends and newest items for every category. For your convenience items "new" to this catalog are highlighted.

The asterisks symbol (*) next to the case quantity in our catalog indicates an item can be purchased by the individual item. Our terminology is a "broken" case. To eliminate errors, please be sure to indicate your choice of a full case or an individual item when placing your order.

If you order an item you will receive the quantity to the right of the description. If you want less than a case and the item number has an asterisk, you need to write a "B" next to the quantity to indicate you want a "broken" quantity.

Example: 1 -700161 Cheerios = you will receive a case of 10 boxes
Example: 3 B -700161 Cheerios = you will receive three individual boxes
Example: 3 -700161 Cheerios = you will receive three cases (30 boxes)

We strive to keep our products in stock and ready to ship so you can get what you need quickly and easily. Please be sure to call our Customer Service if you have any questions.

Thank you for your business.
